Innovative Education Grants will be available during two separate grant cycles for the 21-22 school year. Grants will be accepted August 1, 2021 through September 30, 2021 at 5:00pm, October 1 through January 21, 2022, at 5:00pm and February 18, 2022 through March 28, 2022. Applications will be reviewed after each cycle with notifications made October, February and April. Applications from PHSD teachers, school administrators and approved PHSD clubs are welcome. Requests over \$500 may be awarded to campus team, departments and district-wide projects/programs.

Priority will be placed on grant proposals that (1) have a strong connection to PHSD curriculum goals, (2) show a teacher's passion to support the classroom curriculum in a meaningful way and (3) convey the impact the funds will have. Please note this is a competitive process. ***There is no guarantee of funding - do not purchase items prior to award notification.***

FUNDING PRIORITIES FOR INNOVATIVE TEACHER GRANT APPLICATIONS

- Inspire learning
- Enhance Teaching
- Create opportunities for all student at PHSD

PHEF DOES NOT fund teacher continuing education. PHEF DOES fund requests for tools, supplies and materials that can be shown to increase educational opportunities for students. Consumables must be tied directly to grant outcomes and objectives. Lower priority will be given to requests for candy and food gift cards. Projects and programs must be student-engaged. While we recognize that staff training is valuable, with limited funds, our grants will fund only programs that directly impact students.
